

Sacred Heart School

AMAZING AWAITS!

Dear Friend of Sacred Heart School,

The Crusaders Association of Sacred Heart (C.A.S.H.) began five years ago with the purpose of raising money for the school's annual operating budget. Every dollar raised has gone directly to Sacred Heart School. **Nothing goes back to the Diocese....it stays right here to ensure that the children of this area have the opportunity for a faith-filled education.**

C.A.S.H. is starting its 2018-2019 campaign for the support of our school as it continues its mission of providing a strong Catholic Christian education. The shortfall of revenue has continued to shrink over the last years (from \$105,000 in 2014), but your monetary support is essential to keep the doors to our school open. **The goal this year is \$70,000**, which is 23% of the total operating budget. **All contributions are 100% tax deductible.**

The campaign is an opportunity for you to participate in the work that comes out of our faith. Your contribution helps to build our church, our school, and our community. Two former students wrote to say the following:

- ***"My experience at Sacred Heart offered me early educational opportunities not available in a public school such as small class size, individualized instruction, and public speaking at the Masses."*** - Teri Cugliari, Director of Fraternity and Sorority Life at High Point University
- ***"I am very grateful for my time as a student at Sacred Heart. Sacred Heart started my relationship with our loving Father and taught me how to talk with Him through prayer."*** - Matt Madsen, Web Designer

Under the guidance of Principal Mary Kobel **our school opened with additional students** and new teachers this year. The mission has not changed.....Let the young minds entrusted to Sacred Heart be engaged in active learning in a respectful caring setting.

It is not easy to run a school, and as you know, **Sacred Heart School is dependent on your generosity.** Catholic schools everywhere, including our school here, are worth the investment. We put our faith into action by providing the resources needed to create a learning place where children can freely encounter Jesus Christ and be formed into disciples through an environment of faith, prayer, and service.

In order for our students and our families to have access to Catholic education, **we ask you to give prayerful consideration to your level of support (see enclosed Gift Plan Chart)** and contribute what you are able. If you can't contribute financially, please support the campaign in prayer. The power of prayer can never be overestimated. **Volunteers are welcome as well.**

Thank you in advance for helping us carry on the tradition of spirituality, success, and superior educational achievement that is the century old legacy here at Sacred Heart School.

Please direct any questions you may have to Mrs. Kobel at (740) 622-3728) or email her at mkobel@cdeducation.org.

Sincerely,

Fr. Victor Wesolowski
