**The Light of the Gospel**

*How do I need to transform myself to be a true disciple?*

*Who is part of my family?*

Interestingly, each statement Jesus makes about discipleship he phrases negatively, ending with "cannot be my disciple." Jesus is aware that the demands of discipleship are not likely to be accepted. Jesus is challenging us to do what seems impossible, spurning one's family, one's possessions, one's comfort, even one's own life.
