

~ BUILDING VIRTUE ~

HOPE

“Hope is the theological virtue by which we desire the kingdom of heaven and eternal life as our happiness, placing our trust in Christ’s promises and relying not on our own strength, but on the help of the grace of the Holy Spirit.” (CCC 1817)

Our hope resides in our confidence in God’s promise, in recognition of our eternal purpose. It is our consolation in a world that is besieged by suffering, scandal, sickness, and hopelessness.

BUILDING VIRTUE:

1. **Prayer:** The Catechism states that, *“Hope is expressed and nourished in prayer, especially in the Our Father, the summary of everything that hope leads us to desire”* (1820). This Lent, find a way to “hang out” with God and build your relationship, starting with a daily “Our Father, Hail Mary, and Glory Be.
2. **Detachment from the World:** *“If then you were raised with Christ, seek what is above, where Christ is seated at the right hand of God. Think of what is above, not what is on earth”* (Colossians 3:1-2). Identify one way you could trust more in God by trusting less in the world.
3. **Be Present:** Our hope in Heaven is not limited to Sunday; it should be every day. What icon or picture or holy item could you carry or display to remind you of your real reason for hope?

“Have no anxiety at all, but in everything, by prayer and petition, with thanksgiving, make your requests, known to God. Then the peace of God that surpasses all understanding will guard your hearts and minds in Christ Jesus.
— *Philippians 4:6-7*
