Re-Opening School

The School Task Force has been working diligently for the start of the 2020-21 school year. Many updates and changes have been made inside the school! Staff, students, & parents will have a new information database. All parents will receive an email address to access school news, report cards, and progress of your child. The database, Digital Academy will also be the new platform as we prepare for possible distanced learning, along with the database for face to face learning. Each class room, K-7 will be equipped with PTZ cameras and interactive TV's that students can work from and will support distanced learning.
