Real Presence Real Future

Please Save the Date for a **Diocesan-wide Eucharistic Gathering** taking place on Friday evening, August 27 & Saturday Aug 28, 2021. This two day event will include Mass, prayer, a Eucharistic procession, worship, and talks. This gathering is part of the *Real Presence, Real Future* initiative and seeks to provide an opportunity for encounter with our Lord, engage Catholics as they reflect upon the real presence of Jesus Christ in their lives, and encourage them to share that presence within their circles of influence. For more about how we are growing together in the life and faith and discipleship in the Diocese of Columbus, visit www.RealPresenceRealFuture.org.

**SEED IN THE WORLD**

In the parable of the sowing of the seed, Jesus reveals the growth of the Kingdom of God through the Church and each one of us. The preaching of the Gospel, the generously sown seed, will unfailingly yield its fruit throughout all ages, including the present time. It is God who gives the growth, it will happen "we know not how." The Kingdom of God also refers to the action of grace in each soul. God works in us, causing a transformation when we surrender to grace. The real initiative comes from God, but we prepare "the ground for sowing" through daily prayer, the sacraments, especially the Eucharist, and acts of service.

**INTRODUCTION TO THE LITURGY OF THE DAY...**

One day a tiny seed of faith was planted in you. Perhaps your parents planted it when you were just a baby. Perhaps a friend planted it during a traumatic time in your life. Perhaps it was a priest or sister or layperson who witnessed to their faith at just the right time for it to resonate within you. Every day brings an opportunity for that faith to grow. As we pray with our faith community, listen to God's Word, receive the Lord in the Eucharist, and go forth energized for the Christian mission, may our faith be increased, exercised, and strengthened for our life's journey.

**Question of the Week**

*What resources and talents do I have that I can use to build the kingdom of God like a seed that grows to a fruitful plant?*

God's care of creation is evident in Ezekiel's vision. God takes a tender shoot of a huge cedar to produce a new one in a select place. Over time it grows to provide a home for every kind of bird. The Lebanon cedar is known for its longevity, so Ezekiel's tender shoot could still be alive in the first century, providing shade for birds, as well as for Jesus and his disciples. The story provides a model for us. We too are called to care for our environment, so that every kind of living thing may thrive in the nurturing home it offers.
