*What happened in my life in 2022 that I treasure in my heart?  
 How do I recognize God’s role in these blessings?*

Luke says that Mary reflected on the shepherds’ visit and their message. Reflection is a habit we seem to have lost in today’s world. Because we are constantly connected to the whole world and to everyone we know, we have developed a sense of immediacy that makes anything we learned more than a few minutes ago old news. How often do we take the time to power down our electronics and spend some time in prayerful reflection? If not in 2022, make it a good resolution for 2023!
