An intriguing look at one of the most talked-about books in Scripture, *Revelation: The Kingdom Yet to Come* shows how the kingdom established by Christ in his Church is intimately connected with the kingdom of heaven.

Presenter Jeff Cavins pulls back the veil on the rich symbolism present in Revelation. Discover what the mysterious figures and images of Revelation mean and see how Revelation is more than an apocalyptic vision of the “end times.”

“Once you start learning, he makes you hunger for more. Jeff pulls everything you need to know out of the Bible, and it all starts to make sense like it never did before.”

—Margaret T.

The message of the Book of Revelation was one of hope and encouragement to persevere because the present trials and tribulations will pass, and justice and righteousness will prevail in the end.

The message is still applicable today, since we know Christ will ultimately vanquish all evil and draw his faithful people into God's heavenly kingdom.
